Join our team environment where teachers devoted to the field can learn and grow!
We are looking for individuals who can enhance our program with their unique talents and gifts.
We offer an exceptional salary and benefits package.

Who We Are

Epiphany Center, a San Francisco non-profit, has provided client-centered care to a diverse population of low income children, women, and families for 165 years. Our purpose is to strengthen family life and to enhance the physical, social-emotional, intellectual and spiritual growth of each person in our care. Our Center provides a therapeutic setting that meets the needs of children and families in recovery.

Position Summary

Epiphany Center is seeking creative, reflective, and respectful full-time and relief teachers to provide Primary Care for newborns to children 36 months in an early intervention child development setting. All team members collaborate to create a nurturing, joyful and stimulating classroom that meets the specific needs of this young age group. Our teachers are true professionals and partners in the caring and teaching of the children in their charge. They prepare the environment and plan activities that are appropriate for the age span of the children within the group and consider the different needs, interests, and developmental levels of individual children. The position requires skill and expertise in working with children and families from diverse populations.

Our Caregivers

- Must demonstrate personal qualities of maturity, responsibility, good judgment, appropriate professional boundaries, and understanding of trauma informed care.
- Must possess or be able to obtain current CPR and First Aid certificates.
- Must meet agency conditions for employment including Department of Justice Clearance

Teaching Requirements include

- California Child Development Associate Teacher Permit or higher
- Associate or Bachelor of Arts Degree in Early Childhood Education or related field preferred
- 6 months experience with infants in group care

The Epiphany Parent-Child Center is committed to Mentoring Teachers in

- Implementing a developmentally appropriate learning program for children ages 0-3
- Participating in program meetings, training workshops and conferences
- Developing practical strategies supporting the growth and wellbeing of the young child
- Effectively communicating with children, parents and coworkers

Benefits

In addition to ongoing staff development, Epiphany's Parent-Child Center provides a competitive salary, excellent benefits package for regular full and part time employees including employee health, dental, vision, 100% employer-paid life insurance, commuter benefits, 401K retirement plan, Aflac voluntary plans, Employee Assistance Program, paid vacation, paid holidays and sick leave.
